WORK CREW PHILOSOPHY

Simply stated, the Young Life work crew experience is designed to provide each young person with a unique "once in a lifetime" opportunity involving the following areas:

- | | |
|---------|---|
| WORKING | Work crew are most often in the background doing all the big and small things which keep the camp in good working order and thereby enable the rest of the staff to be free to spend their time getting involved with campers. For many on work crew, this is a chance to learn what it means to really work. This is not an opportunity to "counsel" or spend lots of time with campers or expect lots of free time. |
| SELLING | Work crew sell the camp program and proclaim the message of Jesus Christ by their enthusiasm and spirit. |
| PRAYING | Work crew pray for little things, for each other, for campers, for big things. |
| LIVING | Work crew share together in the joys and sorrows of each other's lives, learning what it means to be the "body of Christ." |
